Stanley Allee Brick Order Form

The Montpelier Center is developing Village Green as an outdoor cultural and educational setting. The Stanley Families have been approached to consider a $25,000 investment (donation) to support the development of Village Green. The National Stanley Family Association (NSFA) have already approved $2500 if matching funds are received.

The purpose of **Stanley Allee** is: 1) to recognize, honor and tribute our ancestors--the early Stanley families and their extraordinary visionaries of freedom and liberty 2) to recognize their strong presence since 1700's 3) to recognize local heritage in Hanover County, Virginia.

All of these inscribed bricks would be placed together in a sidewalk of the Stanley Allee. The funds raised by the brick sale would count toward the $25,000 goal. If the goal is reached within two years then two additional granite bands honoring the Stanleys would be added to the sidewalks and a designated area of the Village Green would be recognized as the **Stanley Allee**. More details can be found on NSFA web page, www.stanleyfamily.org/MontpelierCenterProject.php).
